

**STATE OF MICHIGAN
VILLAGE OF STOCKBRIDGE
2024 PLAN AMENDMENT
ORDINANCE NO.2024-08-05.001
(Enacted August 5, 2024)**

**AN ORDINANCE TO ADOPT AND APPROVE THE 2024 AMENDMENT TO THE
VILLAGE OF STOCKBRIDGE DOWNTOWN DEVELOPMENT AUTHORITY'S
DEVELOPMENT PLAN PURSUANT TO THE PROVISIONS OF ACT 57 PUBLIC ACTS OF
MICHIGAN OF 2018, AS AMENDED,**

RECITALS

WHEREAS, the Village of Stockbridge ("Village") created the Stockbridge Downtown Development Authority ("SDDA") by Ordinance in the mid-1980s and charged it with its statutory responsibility for developing and implementing a Development Plan.

WHEREAS, the SDDA adopted a proposed Development Plan and Tax Increment Finance Plan ("Plan") in the mid-1980s, which was forwarded to the Village and subsequently approved by Ordinance, pursuant to the provisions of former Act 197 of the Public Acts of Michigan of 1975, as amended (the "Act").

WHEREAS, the SDDA and the Village have amended the Tax Increment Finance Plan and/or the Development Plan on several occasions since its initial adoption to include, among other things, new development plans and expand the tax increment finance district.

WHEREAS, the SDDA determined in 2024 that the Tax Increment Finance and Development Plan required additional amendments to incorporate into it several ongoing projects and several proposed future projects.

WHEREAS, the Village determined in 2004 that there were more than 100 persons residing in the Downtown District, as defined by the former Act. Therefore, the Village undertook the following actions:

1. The Village advertised for members to sit on a Development Area Citizens Council to be formed as required by the Act but failed to receive any qualified applicants.
2. The Village declared by Resolution on May 3, 2004, that the Development Area Citizens Council had failed to organize and determined to proceed with the plan amendment process outlined in the Act without a Development Area Citizens Council, pursuant to its authority under former MCL 124.1674 (4).

WHEREAS, Act 197 of the Public Acts of Michigan of 1975, as amended (the former DDA "Act") was replaced by the Michigan Legislature with Act 57 of the Public Acts of Michigan of 2018, as amended (now known as the "Act").

WHEREAS, the SDDA adopted by Resolution, the 2024 Amendments to the Tax Increment Finance Plan and Development Plan, by Resolution No. 2024-04-25.0001, enacted April 25, 2024. (Attached as Exhibit 1 and incorporated hereto by reference.)

WHEREAS, notice of the public hearing in front of the Village Council to consider amendments to the Tax Increment Finance Plan and Development Plan were published in accordance with the statutory requirements for same and the public hearing was set for August 5, 2024, at 7:00 p.m. at the Village Hall.

WHEREAS, the Village Clerk provided all the statutory notice for this public hearing on a timely basis and in compliance with the Act.

ORDINANCE

THEREFORE, THE VILLAGE OF STOCKBRIDGE ORDAINS that:

1. The SDDA's Development Plan, as proposed to be amended in Exhibit 1 to the SDDA Resolution No. 2024-04-25.0001, enacted April 25, 2024, is approved, with amendments, after listening to the *public comment at the public hearing on August 5, 2024*, reviewing any written comments, reviewing the proposed Development Plan Amendments, reviewing the initial SDDA Plans and all previous amendments thereto, consulting with bond council of their choosing, and otherwise considering all the relevant facts, because:
 - 1.1 the Village has determined that the Tax Increment Finance Plan and Development Plan, as amended, constitutes a public purpose.
 - 1.2 the Village has determined that the Tax Increment Finance Plan and Development Plan, as amended, meets the requirements set forth in Act 57, P.A. of 2018, specifically including those in MCL 125.4219 (1).
 - 1.3 the Village has determined that the proposed method of financing and development is *feasible*, and the Authority has the ability to arrange the financing, as set forth in the Tax Increment Finance Plan and Development Plan, as amended.
 - 1.4 the Village has determined that the development outlined in the Tax Increment Finance Plan and Development Plan, as amended, is reasonable and necessary to carry out the purposes of Act 57, P.A. 2018, as amended.
 - 1.5 the Village has determined that the Tax Increment Finance Plan and Development Plan, as amended, is in reasonable accordance with the approved Village Zoning Ordinance and other Plans of the Village of Stockbridge.
 - 1.6 the Village has determined that the public services (such as police, fire, and utilities) are or will (after the improvements outlined in the Tax Increment Finance and Development Plan, as amended, are implemented) be *adequate to service the development area*.
 - 1.7 the Village has determined that any changes to zoning, street levels, intersections, and utilities outlined in the Tax Increment Finance Plan and Development Plan, as amended, are reasonably necessary for the projects and the municipality.
 - 1.8 the Village has previously determined that no Citizens Area Development Council's input is required for this Plan Amendment, pursuant to Resolution of the Village on May 3, 2004.
 - 1.9 The above 2024 Plan Amendment approval is subject to the following modifications to the 2024 Plan, as permitted by MCL 125.4219 (1), to wit:
 - 1.9.1 Paragraph 4 of the 2024 Plan Amendment is amended to add an addition Paragraph 4.1.16 regarding a new improvement to the downtown district:
 - 4.1.16 The SDDA is constructing a new ADA compliant sidewalk running north and south from the municipal parking lot on that northwest corner and east and west sidewalk along north side of West Main Street, please see Exhibit H attached hereto and incorporated herein by reference as an additional Exhibit to Addendum 1 to the SDDA's Resolution. The sidewalk is estimated

to be 30' long x5' wide (150 sq. ft) sidewalk with ADA compliance. The costs are estimated to be \$2,250.00 for preparation, forms, reinforced with wire mesh, poured, broomed finish, saw cut and clean up. An Estimate for the sidewalk work is attached hereto as Exhibit I and incorporated herein by reference as an additional Exhibit to Addendum 1 to the SDDA's Resolution.

1.9.2 Paragraph 16 of the 2024 Plan Amendment is amended to add subparagraph 16.10 to read as follows:

16.10 The 2013 Plan Amendment permitted the SDDA to spend up to \$65,000.00 annually on an approved revenue sharing

agreements with the Village of Stockbridge. This Plan Amendment shall increase that amount the SDDA may spend on revenue sharing with the Village to \$70,000 annually.

1.9.3 Paragraph 5 of the 2024 Plan Amendment is amended to add the following subparagraphs:

5.18 The project contemplated in Paragraph 4.1.16 shall be completed in one continuous stage of construction in 2024 and will be completed by December 31, 2024. However, to provide for contingencies, the SDDA reserves the right to complete the project in 2025 and have it done by December 31, 2025.

5.19 The project contemplated in Paragraph 16.10 is a professional service type contract and shall be completed in annual states of construction beginning 2024 and continuing annually until the earlier of the Plan's Termination and/or the termination or decision not to renew the Revenue Sharing Agreement with the Village by the SDDA.

1.9.4 Paragraph 9.2 of the 2024 Plan Amendment is amended to add the following subparagraphs:

9.2.17 The project anticipated in Paragraph 4.1.16 is anticipated to cost the SDDA up to Two-Thousand Two-Hundred Fifty (\$2,250.00) Dollars one time between now and 2039.

9.2.18 The project anticipated in Paragraph 16.10 is anticipated to cost the SDDA annually an additional Five Thousand (\$5,000.00) Dollars annually or an additional Eighty Thousand (\$80,000) Dollars between 2024 and 2039 (the current project plan end date).

1.9.5 Paragraph 10 of the 2024 Plan Amendment is amended to add the following subparagraphs:

10.15 The primary beneficiary of the project outlined in Paragraph 4.1.16 is the public, who will utilize the new ADA compliant sidewalk to access the municipal parking lot from the existing sidewalk.

10.16 The primary beneficiary of the project outlined in Paragraph

16.10 is the SDDA, who has constructed sidewalks, parking

lots, bridges, and other municipal projects throughout the Village of Stockbridge since the mid-1980s and needs to contract with someone to maintain same, plus the SDDA needs administrative assistance from the Village that is provided for in the annual revenue sharing agreements.

1.9.6 Paragraph 1 1 of the 2024 Plan Amendment is amended to add the following sub-paragraphs:

11.10 The project outlined in 4.1.16 has been bid out and the SDDA has selected the bid attached hereto as Exhibit I and incorporated herein by reference as an additional Exhibit to Addendum 1 to the SDDA's Resolution. At this time, the project when completed shall be retained by the SDDA.

11.11 The project outlined in Paragraph 16.10 was not bid, as the SDDA has bid the services out separately in prior years and found it more expensive to utilize several different vendors than to contract for said services directly with the Village, as is permitted by this Act under a revenue sharing agreement. These services contemplated under this project when completed annually shall be utilized and retained by the SDDA.

2. Invalidity of Any Section - if any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this ordinance. The Village of Stockbridge declares that it would have passed this ordinance and each section, subsection, clause or phrase hereof, irrespective of the fact that any one or more section, subsections, sentences, clauses and phrases be declared unconstitutional.
3. Effective Date - This ordinance and the related rules, regulations, provisions, requirements, orders and matters established shall take effect immediately upon publication, except any penalty provisions which shall take effect twenty (20) days after publication, pursuant to MCL 66.1; MSA 5.1271-
4. Repealer - All Ordinances or parts of Ordinances in conflict with this ordinance are repealed only to the extent necessary to give all provisions of this Ordinance full effect.

MOTION: Motion by Ogden supported by Cattell to approve the SDDA Plan Amendment as presented.

Roll Call:

Yea's: Village President Jill Ogden, Trustee Mellisa Powers – Taylor, Trustee Molly Howlett, Trustee Frederick Cattell, Trustee Kim Morehouse, Trustee Richard Mullins, Myranda Fairbotham.

Nay's: None

Absent: None

The SDDA 2024 Plan Amendment in its entirety is hereby adopted at the regular Meeting of the Stockbridge Village Council on August 5, 2024.

Jill Ogden, Village President

Clerk's Certification

I hereby certify that the foregoing is a true and complete copy of an SDDA 2024 Plan Amendment Ordinance Number 2024-08-05.001 adopted by the Village Council of the Village of Stockbridge, County of Ingham, State of Michigan, at a Regular meeting held on the 5th day of August, 2024, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the *Open Meetings Act, being Act 267, Public Acts of Michigan, 1976*, and that the Minutes of said meeting were kept and will be or have been made available as required by said Act, and the foregoing Ordinance was published in a newspaper of local circulation on August 11, 2024.

RESOLUTION NO.2024-04-25.0001

VILLAGE OF STOCKBRIDGE
DOWNTOWN DEVELOPMENT AUTHORITY
(Enacted April 25, 2024)

A RESOLUTION TO
APPROVE THE 2024 AMENDMENT
TO THE VILLAGE OF STOCKBRIDGE
DOWNTOWN DEVELOPMENT AUTHORITY'S TAX INCREMENT
FINANCE AND DEVELOPMENT PLAN,
PURSUANT TO THE PROVISIONS OF ACT 57 OF THE
PUBLIC ACTS OF MICHIGAN OF 2018 AS AMENDED

WHEREAS, the Village of Stockbridge (hereinafter, the "Village") created the Stockbridge Downtown Development Authority (hereinafter, the 'SDDA') by Ordinance in the mid-1980's, and charged it with its statutory responsibility for developing and implementing a Development Plan;

WHEREAS, the SDDA adopted a proposed Development Plan and Tax Increment Finance Plan (hereinafter, the "Plan") in the mid- 1980's, which was forwarded to the SDDA and subsequently approved by Ordinance pursuant to the provisions of Act 197 of the Public Acts of Michigan of 1975, as amended (hereinafter, the "Act"); and

WHEREAS, the SDDA and the Village have used the Tax Increment Finance Plan and/or the Development Plan on several occasions since its initial adoption to include, among other things, new Development Plans and to expand the Tax Increment Finance District; and

WHEREAS, the SDDA determined in 2024 that the Tax Increment Finance Plan and Development Plan required additional Amendments to incorporate additional information into it regarding the SDDA's proposals to: 1) Purchase or Lease a minimum of One and a Maximum of Five of Bleacher Assemblies. 2) Assemble all Bleachers leased or purchased in the Veteran's Park. 3) Construct between Three and Five cement slabs for supporting bleachers. 4) Construct Three to Five (100) ft long ADA compliant sidewalks leading to each bleacher purchased and/or leased. 5) Install new signage in Veterans Park directing visitors to Pump Track observation seating. 6) Purchase (14) New Trash Cans for the Central Business District and the Veterans Park. 7) Purchase and install Three Electric car charging stations in a place to be determined in the TIF District that is owned by the Village and/or the SDDA. 8) Veteran's park Camera's replacement and repair, and possibly purchasing additional cameras to provide security for pump track competitions. 9) Hire a Grant writer and/or utilize the Village's grant writer for SDDA projects authorized by the SDDA Board. 10) Extend expiration date stipulated in prior 2019 plan amendment for replacement of nonfunctioning Fire hydrants in TIF District as necessary through 2039. 11) increasing funding for existing and new Professional services. 12) Provide funds for Mowing, landscaping, and stripping/sealing of pump track. 13) Installation of a new sidewalk. 14) Installation of kiosks in the park, and other projects outlined in Paragraphs 1, 3, 4, and 16 of the Plan Amendment.

IT IS THEREFORE RESOLVED that the Stockbridge Downtown Development Authority 2024 Development Plan and Tax Increment Financing Plan Amendment to Incorporate New Projects and/or Expand Existing Projects, as attached hereto as Addendum I, is approved by the SDDA and is to be submitted to the Village for approval in accordance with the Act.

Adopted at a Regular Meeting of the Village of Stockbridge held on April 25, 2024.

Moved by: Mellisa Powers-Taylor - Vice Chair

Seconded by: Nelva Jean Lampart - Director

YEAS: Jennifer Conant – Treasurer, Jason Stevens – Director, Jordan Dzurka – Director, Heather Armstrong – Director, Daryl Anderson – Chair.

NAYS: None.

ABSENT: Jon Fillmore - Secretary

ABSTAIN: None.

ADDENDUM NUMBER 1

STOCKBRIDGE DOWNTOWN DEVELOPMENT AUTHORITY 2024 DEVELOPMENT PLAN AND TAX INCREMENT FINANCING PLAN AMENDMENT TO INCORPORATE NEW PROJECTS

Pursuant to the requirements of MCL 125.4214 (5) and MCL 125.4217 (2), the Stockbridge Downtown Development Authority (hereinafter, the "SDDA") recommends that the following Amendments be incorporated into the SDDA's Development Plan and Tax Increment Finance Plan for 2024:

1. The boundaries of the Plan's Tax Increment Finance District (Development District) are set forth in the map contained on Page IV of the July 3, 1995, Plan Amendment, and are not altered by this Amendment.
 - 1.1. The SDDA has contracted with McKenna and Associates to provide an updated TIF District map in 2023 to incorporate an updated parcel map due to the number of splits and modifications to lots over the years since 1986 and to clarify a number of potential inconsistencies with a prior TIF District Map (T.I.F.D.) dated September 12, 2002, and incorporated by reference in several prior plan amendments. The new map is referred to as the McKenna Map of 2024 and attached hereto as **Exhibit A** and incorporated herein by reference and is intended to completely replace the prior map in the Plan, as Amended to outline the Boundaries of the TIF District. Note: The new map does not modify the TIF District, instead it just better clarifies the properties contained therein, based upon the prior amendments, splits, mergers, and modern technologies. The map is interactive and will be located on the SDDA webpage. When an individual touches on a particular property on the map, underlying data is revealed, including 1) tax ID number, 2) the SDDA base year assessment, 3) current taxable value, 4) TIF captured value, 5) Year added to TIF Plan, 6) PROPADDRNU, 7) PROPAEDRDI, 9) PROPSTREET, and 10) Acres.
2. The location and extent of existing streets and other public facilities within the development area are set forth in the Maps contained on Pages (12) – (14) of the original Plan. The SDDA's District Zoning Map is contained on Page (13). It is updated by the current zoning map attached hereto as **Exhibit B**. The Map sets forth the designated location, character, and extent of the categories of public and private land uses existing and proposed for the development area, including residential, recreational, commercial, industrial, educational, and other uses. The legal description of the development area (TIF District) was described as being located in the Village of Stockbridge, County of Ingham, to wit:

See Legal Description of the District contained in pages 24-26 of the July 3, 1995, Plan Amendment; The T.I.F.D Legal Description is also provided as exhibit – H.

The SDDA has contracted with McKenna and Associates to provide an updated legal description of the outline of the TIF District, as part of developing the 2024 Map referenced above as Exhibit A. The new legal description for the boundaries of the TIF District is not complete at this point and will be provided in a new Plan Amendment. Note: The new legal description will not modify the boundaries of the TIF District, as previously amended, instead it merely clarifies and defines those boundaries more particularly.

3. A description of the existing improvements in the area to be demolished, repaired, or altered, a description of any repairs or alterations, and an estimate of the time required for completion.
 - 3.1 The SDDA proposes to repair and alter the following existing improvements:
 - 3.1.1 The 2019 Plan Amendment authorized the SDDA to replace various Fire Hydrant within the TIF District in cooperation with the Village through 2020. That Plan Amendment included a map of the location of all the fire hydrants in the TIF District in need of service at the time. The SDDA was unable to complete all the fire hydrant replacements originally authorized within the timeframe provided for in the 2019 Plan Amendment. This 2024 Plan Amendment extends the replacement period for said fire hydrants through 2030 by the SDDA in cooperation with the Village and adds additional fire hydrants that need servicing/replacement. Attached hereto as **Exhibit C** is a map of all current fire hydrants in the TIF District listing the current service or replacement required to each hydrant. The cost to replace the remaining fire hydrants under this Amendment is estimated to not exceed Fifty Thousand (\$50,000.00) Dollars per year or Three Hundred Thousand (\$300,000.00) Dollars over the life of the Plan.
 - 3.1.2 The SDDA originally authorized the installation of cameras in Veteran's Memorial Park in Plan Amendment 2016. The Cameras and the technology supporting them are now in need of significant updating, repair, and/or replacement. This Plan Amendment authorizes the SDDA to expend up to an additional Ten Thousand (\$10,000.00) Dollars to update, replace and/or repair cameras in Veteran's Memorial Park and add, as necessary, additional cameras to cover such things as the new Pump Track feature in the Park. These funds will be allocated between 2024 and 2030.
 4. The description of the location, extent, character, and estimated cost of the improvements, including rehabilitation, contemplated for the development area and an estimate of the time required for completion, signage, or signalization.
-

- 4.1. The SDDA proposes the following new improvements within the development district:
- 4.1.1. Purchase or leasing a minimum of One to a maximum of Five bleacher assemblies to be located near the new Pump Track project in Veteran's Park. Each assembly is constructed from aluminum and shall be approximately (10) rows tall, (15') wide, (18') deep, and shall seat (82) people. The bleacher assemblies are currently estimated to cost approximately Seven Thousand (\$7,000.00) Dollars each, with a total cost between Seven Thousand (\$7,000.00) and Thirty-Five Thousand (\$35,000.00) Dollars. Completion dates for this project will be ongoing and can take many years to complete before estimated completion dates in 2030. A photograph of a type of bleacher assembly is attached hereto as **Exhibit D** and incorporated herein by reference.
 - 4.1.2. This Plan Amendment shall authorize the SDDA to pay up to Three Thousand (\$3,000.00) Dollars per bleacher assembly for assembling each aluminum bleacher assembly, which are shipped as unassembled kits. The maximum amount authorized to be expended on this project is Fifteen Thousand (\$15,000.00) Dollars between 2024 and 2030.
 - 4.1.3. This Plan Amendment authorizes the installation of a minimum of Three and a maximum of Five cement slabs around the Pump Track in Veteran's Park approximately (24) wide x (24) deep x (4)" thick for supporting each bleacher assembly. Total cost of each slab is estimated to be Nine Thousand Five Hundred Fifty (\$9,550.00) Dollars. Total cost estimate for all is Forty-Nine Thousand Nine Hundred Seventy-Five (\$49,975.00) Dollars. Completion dates for this project will be ongoing and can take many years to complete therefore estimated completion dates in 2030.
 - 4.1.4. This Plan Amendment authorizes the installation of a minimum of Three and up to a maximum of Five (100) ft long by (5) ft wide and (4) inches thick sidewalks to reach the bleacher assemblies at an estimated cost of Fourteen Thousand Four Hundred Eighty (\$14,480) Dollars each or a total cost of Seventy-Two Thousand Four Hundred (\$72,400.00) Dollars. Completion dates this project will be ongoing and take many years to complete before estimated completion dates in 2030.
 - 4.1.5. This Plan Amendment authorizes the purchase and installation of signage to direct guests to seating around the Pump Track in Veteran's Park. The SDDA will purchase and install these signs in locations approved by the Village. The SDDA estimated cost of installation and purchase per sign to be One Thousand (\$1,000.00) Dollars or a total cost up to Ten Thousand (\$10,000.00) Dollars. Completion dates for this project will be ongoing
-

and can take many years to complete before estimated completion dates in 2030.

- 4.1.6. This Plan Amendment Authorizes the SDDA to purchase up to Fourteen New Trash Cans to replace dilapidated trash cans in the Central Business District (CBD) and to provide new trash cans in the Veteran's Park. The trash cans are locked in nature, so that only Village authorized personnel can remove the lid to empty the trash cans. Each new trash can is estimated to cost Eight Hundred (\$800.00) Dollars or a total purchase price of Eleven Thousand Five Hundred (\$11,500.00). The SDDA's intent is to purchase a few trash cans each year until all Fourteen are purchased. Completion dates for this project will be ongoing and can take many years to complete before estimated completion dates in 2031 (minimum of two per year). Attached hereto as **Exhibit E** and incorporated herein by reference is a general photo and specifications for said trash cans.
 - 4.1.7. This Plan Amendment authorizes the SDDA to install electric car charging stations on any public property within the TIF District where the infrastructure might support same. The SDDA estimates the cost of a charger is Twenty Thousand (\$20,000.00) per charger and an additional Twenty Thousand (\$20,000.00) to install the charger. The Plan authorizes the installation of up to Four charging stations. The estimated cost for all Four charging stations is One Hundred Sixty Thousand (\$160,000.00) Dollars. Completion dates for this project will be ongoing and can take many years to complete therefore estimated completion dates in 2034. A general photograph of charging station being authorized is attached here as **Exhibit F** and incorporated herein by reference.
 - 4.1.8. The SDDA created the Pump Track project in Veteran's Memorial Park, pursuant to a Plan Amendment 2022. The Pump Track feature consists of paving and grassy areas. The SDDA is authorized to spend up to Eight Thousand (\$8,000.00) Dollars per year on mowing and landscaping care for the Pump Track feature. This may be through an independent contractor and/or by reimbursing the Village for DPW services for same. This project shall begin in 2024 and continue in perpetuity until the Pump Track no longer exists.
 - 4.1.9. Funding for Civic activities such as additional farmers markets, parades, fairs or other public events is Ten Thousand (\$10,000.00) per year.
 - 4.1.10 In the 2017 Plan Amendment, the SDDA authorized purchase of Banners to hang on the light pole on an annual basis. This Plan Amendment shall increase the annual funding for this project from Five Thousand (\$5,000.00) Dollars per year to Ten Thousand (\$10,000.00) Dollars per year.
-

- 4.1.11 The Pump Track was installed under Plan amendment 2022. At the time it was professionally installed, the installer recommended the asphalt be professionally sealed after one year of service, which would be 2024. The Pump Track has stenciling on it that will be covered by the sealer and needs to be re-stalled/taped off before the sealer is applied. The SDDA estimates the cost of same to be a maximum of Twenty Thousand (\$20,000.00) Dollars in 2024, and every Five years thereafter perpetually until such time as the Pump Track no longer exists in Veteran's Memorial Park. The only sealant employed shall be cool tar-free sealant with low patio.
 - 4.1.12. TextMyGov: The Village has entered into a contract with TextMyGov for a cost of Two Thousand Five Hundred (\$2,500.00) Dollars per year. The SDDA has agreed to reimburse the Village for one-half the annual cost or One Thousand Two Hundred Fifty (\$1,250.00) Dollars per year and the Village has agreed to host all SDDA projects on the TextMy Gov site. This project will commence in 2024 and continue perpetually until the end of the service by the State of Michigan.
 - 4.1.13 The Plan Amendment 2022 authorized the employment of professional services necessary to provide additional information to SDDA Directors such as adding to GIS capture information, date each parcel was incorporated into the TIFD, amount of tax levies at that time, and rewriting legal description that the Authority and SDDA Attorney considers pertinent to how the TIFD capture is being expended by the Authority. Estimated completion date of this project was originally the end of 2024. The survey of TIFD was previously approved in the 2022 plan at Fifteen Thousand (\$15,000.00) Dollars, however bids came in at Twenty-Five Thousand (\$25,000.00) Dollars, so this Plan Amendment increases the maximum amount that is to be spent on this professional service to Thirty Thousand (\$30,000.00) Dollars for this project. Estimated completion date at the end of 2024 may extend out to 2026.
 - 4.1.14 Sidewalk to be installed from Eaton Community Bank Parking Lot to the Sidewalk that runs east-west along West Main Street to accommodate traffic from Veteran's Memorial Park. The cost of the sidewalk is to be a maximum of Ten Thousand (\$10,000.00) Dollars and the project is to be completed between 2024 and 2030.
 - 4.1.15. Information Kiosks are to be installed in Veteran's Memorial Park to provide Park users with directions to local businesses and services in the amount of Twelve Thousand (\$12,000.00) Dollars. The project will be created between 2024 and 2030 (**Exhibit G**).
5. The following is a statement of the construction, or stages of construction, planned and the estimated time for completion of each stage.
-

- 5.1 TIF Map updates contemplated in Paragraphs 1.1 and 4.1.13 have been in a steady stage of completion since early 2023 and shall be completed by December 31, 2026.
- 5.2 The Fire Hydrant Project contemplated in Paragraph 3.1.1 shall continue annually over the remaining years of the Plan at the rate of Fifty Thousand (\$50,000.00) Dollars per year. The Plan is currently project to be completed in 2039, per Paragraph 18 of this Amended Plan.
- 5.3 The Camera Project contemplated in Paragraph 3.1.2 will be completed in a continuous stage of construction between 2024 and 2030, until the project is completed.
- 5.4 The bleacher purchase project contemplated in Paragraph 4.1.1 shall be completed in one continuous stage of construction between 2024 and 2030.
- 5.5 The Bleach Assembly project contemplated in Paragraph 4.1.2 shall occur after the purchase project outlined in Paragraph 4.1.1 is completed and shall be performed in one continuous stage of construction between 2024 and 2030.
- 5.6 The cement slab installation project contemplated in Paragraph 4.1.3 shall be completed in one continuous stage of construction between 2024 and 2030 alongside the Bleacher Assembly project contemplated in Paragraph 4.1.2.
- 5.7 The bleacher sidewalk project contemplated in Paragraph 4.1.4 shall be completed in one continuous stage of construction between 2024 and 2030 and shall be completed alongside the Bleacher Assembly project contemplated in Paragraph 4.1.2 and the Cement Slab project contemplated in Paragraph 4.1.3.
- 5.8 The signage project contemplated in Paragraph 4.1.5 shall be completed in one continuous stage of construction between 2024 and 2030.
- 5.9 The trash can project contemplated in Paragraph 4.1.6 shall be completed in one continuous stage of construction between 2024 and 2031.
- 5.10. The electric car charging port project contemplated in Paragraph 4.1.7 shall be completed in one continuous stage of construction between 2024 and 2034.
- 5.11 The mowing of pump track project contemplated in Paragraph 4.1.8 shall be completed in annual stages of construction beginning 2024 and continuing until the earlier of the end of the Plan and/or the end of the existence of the Pump Track in Veteran's Memorial Park.
- 5.12 The Civic Activities project contemplated in Paragraph 4.1.9 shall be completed in annual stages of construction beginning 2024 and continuing until the earlier of the end of the Plan and/or the end of the existence of the activities.

- 5.13 The banner project contemplated in Paragraph 4.1.10. shall be completed in annual stages of construction beginning 2024 and continuing until the earlier of the end of the Plan and/or the end of the existence of the light poles upon which the Banners are displayed.
- 5.14 The TextMyGov project contemplated in Paragraph 4.1.12 shall be completed in annual states of construction beginning 2024 and ending the earlier of the end of the Plan and/or the end of the service provided/contracted for between the Village and the State of Michigan.
- 5.15 The Eaton Bank Sidewalk project contemplated in Paragraph 4.1.14 shall be completed in one continuous stage of construction between 2024 and 2030.
- 5.16 The Kiosks project contemplated in Paragraph 4.1.15 shall be completed in one continuous stage of construction between 2024 and 2030.
- 5.17 The project contemplated in Paragraphs 16.1-16.9 are professional services type contracts and shall be completed in annual stages of construction beginning 2024 and continuing until the earlier of the Plan's termination and/or the end of the service by the SDDA.

- 6. The description of any part of the development area to be left as open space and the use contemplated for the space is contained in Section 1.1.1 of the 2001 Plan Amendment.

This provision is not amended in the 2024 Plan Amendment

- 7. The following is a description of any portion of the development area that the Authority desires to sell, donate, exchange, or lease to or from the municipality and the proposed terms.

This provision is not amended in the 2024 Plan Amendment

- 8, The following is a description of desired zoning changes, and changes in streets, street levels, intersections, or utilities.

This provision is not amended in this 2024 Plan Amendment.

- 9, The following is an estimate of the costs of the development, a statement of the proposed method of financing the development, and the ability of the authority to arrange the financing.

- 9.1 The SDDA proposes to finance the projects set forth in Paragraphs 3, 4, and 16 through the capture of tax increments to pay the costs on a pay-as- you-go basis. The SDDA may also utilize any of the following financing mechanisms:

- 9.1.1 Any Tax increment revenue bonds issued by the Village, pursuant to Section 216(1) of the DDA Act.

- 9.1.2. Any Tax increment revenue bonds issued by the SDDA, pursuant to Section 216(2) of the DDA Act.
 - 9.1.3. Other advances from the Village repayable from tax increment revenues of the SDDA, which advances may be financed through obligations incurred by the Village under the Local Building Authority Act, or other authorizing statutes.
 - 9.1.4. Tax increment revenues on a pay-as-you-go basis: and
 - 9.1.5. Other Federal or State grants or contributions, not specified above.
- 9.2 The costs of the specific projects listed in Paragraphs 3 and 4 above are as follows:
- 9.2.1 The projects anticipated in paragraphs 1.1 and 4.1.13 are anticipated to be Thirty Thousand (\$30,000.00) Dollars.
 - 9.2.2 The project anticipated in paragraph 3.1.1 is anticipated to be Three Hundred Thousand (\$300,000.00) Dollars.
 - 9.2.3 The project anticipated in paragraph 3.1.2 is anticipated to be Ten Thousand (\$10,000.00) Dollars.
 - 9.2.4 The projects anticipated in paragraphs 4.1.1, 4.1.2, 4.1.3, 4.1.4 and 4.1.5 are anticipated to be a total of One Hundred Eighty-Two Thousand Three Hundred Seventy-Five (\$182,375.00) Dollars.
 - 9.2.5 The project anticipated in paragraph 4.1.6 is anticipated to cost up to Eleven Thousand Five Hundred (\$11,500.00) Dollars.
 - 9.2.6 The project anticipated in paragraph 4.1.5 is anticipated to cost up to Three Thousand (\$3,000.00) Dollars.
 - 9.2.7 The project anticipated in paragraph 4.1.6 is anticipated to cost up to Eleven Thousand Five Hundred (\$11,500.00) Dollars.
 - 9.2.8 The project anticipated in paragraph 4.1.7 is anticipated to cost up to One Hundred Sixty Thousand (\$160,000.00) Dollars.
 - 9.2.9 The project anticipated in paragraph 4.1.8 is anticipated to cost up to Eight Thousand (\$8,000.00) Dollars annually or One Hundred Twenty-Eight Thousand (\$128,000.00) Dollars between 2024 and 2039 (the current projected plan end date).
 - 9.2.10 The project anticipated in paragraph 4.1.9 is anticipated to cost up to Ten Thousand (\$10,000.00) Dollars annually or One Hundred Sixty Thousand (\$160,000.00) Dollars between 2024 and 2039 (the current projected plan end date).
 - 9.2.11 The project anticipated in paragraph 4.1.10 is anticipated to cost up to Ten Thousand (\$10,000.00) annually or One Hundred Sixty Thousand (\$160,000.00) Dollars between 2024 and 2039 (the current projected plan end date).
 - 9.2.12 The project anticipated in paragraph 4.1.11 is anticipated to cost up to Twenty Thousand (\$20,000.00) Dollars in 2024 and an additional Twenty Thousand (\$20,000.00) Dollars in 2029, 2034, and 2039 for a total cost of Eighty Thousand (\$80,000.00) Dollars over the life of the Plan.

- 9.2.13 The project anticipated in paragraph 4.1.12 is anticipated to cost up to Eleven Thousand Two Hundred Fifty (\$11,250.00) Dollars annually or a total of Eighteen Thousand (\$18,000.00) Dollars between 2024 and 2039 (the current projected plan end date).
 - 9.2.14 The project anticipated in paragraph 4.1.14 is anticipated to cost up to Ten Thousand (\$10,000.00) Dollars.
 - 9.2.15 The project anticipated in paragraph 4.1.15 is anticipated to cost up to Twelve Thousand (\$12,000.00) Dollars.
 - 9.2.16 The projects anticipated in paragraphs 16.1 – 16.9 are anticipated to cost up to Forty-One Thousand One Hundred (\$41,100.00) Dollars annually or Eight-One Thousand Seven Hundred Sixty (\$81,760.00) Dollars between 2024 and 2039 (the current projected plan end date).
- 9.3 The SDDA has the ability to arrange financing, as it is anticipated that each project will be fully funded from tax increment revenues saved up by the SDDA on a pay-as-you-go basis before the project is started.
10. The following is a designation of the person or persons, natural or corporate, to whom all or a portion of the development is to be leased, sold, or conveyed in any manner, and for whose benefit the project is being undertaken, if the information is available to the authority.
- 10.1. The primary beneficiary of the project outlined in Paragraphs 1.1 and 4.1.12 is the SDDA.
 - 10.2 The primary beneficiary of the fire hydrant project outlined in paragraph 3.1.1 is the Village of Stockbridge.
 - 10.3. The primary beneficiary of the project outlined in Paragraph 3.1.2 is the Village Police Department, the secondary beneficiary is the SDDA who installed most of the project in Veteran's Memorial Park and needs to protect its interest.
 - 10.4. The primary beneficiary of the projects outlined in Paragraph 4.1.1, 4.1.2, 4.1.3, 4.1.4, and 4.1.5 is the Public who will have a safe and clean location to sit and observe users of the Pump Track.
 - 10.5 The primary beneficiary of project outlined in Paragraph 4.1.6 is the public at large. The Village of Stockbridge and the SDDA are also beneficiaries as the project beautifies and keeps clean the downtown area and the Park.
 - 10.6. The primary beneficiary of the project outlined in Paragraph 4.1.7 is the public at large as there is currently no public charging stations in the Village or between Chelsea and I-96.
 - 10.7. The primary beneficiary of the project outlined in paragraph 4.1.8 is the Village of Stockbridge, who will receive fair compensation for the mowing and landscaping services provided. The SDDA is also a beneficiary, as it sees its projects are properly cared for and presentable to the public. The final beneficiary is the public at large.
 - 10.8. The primary beneficiary of the project outlined in Paragraph 4.1.9 is the public who attends these civic activities.
 - 10.9. The primary beneficiary of the project outlined in Paragraph 4.1.10 is the public who views these civic banners.
-

- 10.10 The primary beneficiary of the project outlined in Paragraph 4.1.11 is the SDDA who employed significant public funds to construct the Pump Track and desires to maintain it and prevent premature deterioration. The public who attends these civic activities and private funds at the Pump Trackt also benefits.
 - 10.11 The primary beneficiary of the project outlined in Paragraph 4.1.12 is the public who will receive these text messages about events in the Village and by the SDDA. The Village and the SDDA are also beneficiaries, as they get the privilege of providing notice to taxpayers of activities each is involved in within the Village through this service.
 - 10.12. The primary beneficiary of the project outlined in Paragraph 4.1.14 is the public who will utilize this sidewalk.
 - 10.13. The primary beneficiary of the project outlined in Paragraph 4.1.14 is the public who will utilize the Kiosks in the park to locate other public and/or private services in the Village.
 - 10.14 The primary beneficiary of the projects outlined in Paragraphs 16.1 – 16.9 is the SDDA who needs these professional services to complete its mission.
11. The procedures for bidding for the leasing, purchasing, or conveying, in any manner, of all, or a portion of, the development upon its completion, if there are no express or implied agreements between the authority and persons, natural or corporate, that all or a portion of the development will be leased, sold, or conveyed, in any manner, to those persons.
 - 11.1. The SDDA has hired a professional of its choice after an extensive review of available professionals to provide the services contemplated in Paragraph 1.1 and 4.1.13. This project will not be transferred to anyone.
 - 11.2. The SDDA intends to competitively bid on the projects contemplated in Paragraphs 4.1.1 – 4.1.6. There is no set procedure for bidding on the project. The transfer of project upon completion is to the Village as it is for the public good and in a public park owned by the Village that draws patrons to the downtown businesses but was installed by SDDA funding.
 - 11.3. The SDDA intends to competitively bid on the purchase and installation of sidewalk project contemplated under paragraph 4.1.14. There is no set procedure for bidding on the project. The project is built on land owned in part or wholly by the Village under easement or fee simple title. The project will belong to the Village when completed.
 - 11.4. The SDDA intends to competitively bid on the purchase of (10) locking Trash Cans for CBD under Paragraph 4.1.6. There is no set procedure for bidding for project. The trash can title will transfer to the Village upon completion to the project, as it is for the public good.
-

- 11.6. The SDDA intends to competitively bid on the purchase and installation of the electric car chargers under Paragraph 4.1.7. There is no set procedure for bidding on this project. The SDDA does not contemplate transferring ownership of the project to anyone at this time.
 - 11.7. Replacement, repair and/or additional cameras in Veterans Memorial park. Project is being undertaken for the public good, but is in the Veterans Memorial Park, which is owned by the Village. The project, upon its completion shall be donated to the Village for no consideration to the SDDA.
 - 11.8. Fire hydrants repair or replacement project contemplated in Paragraph 3.1 will be donated to the Village upon completion.
 - 11.9. Any project in this Plan not specifically addressed herein shall be retained by the SDDA, subject to further plan amendments.
12. It is estimated that there are less than (100) people and families residing in the development area. It is estimated that Zero persons or families residing in the development area will be displaced.

Since the Plan does not call for the acquisition of occupied residential property, the Plan does not include a survey of the families or individuals to be displaced (including their income and racial composition); a statistical description of the housing supply in the community (including the number of private and public units in existence or under construction); the condition of those units in existence; the number of owner-occupied and renter-occupied units; the annual rate of turnover of the various types of housing and the range of rents and sale prices; an estimate of the total demand for housing in the community; and the estimated capacity of private and public housing available to displaced families and individuals.

13. The following constitutes the plan for establishing priority for the relocation of persons displaced by the development in any new housing in the development area.

Because of the answer to Section (12), no plan for establishing priority for relocation is required.

14. The following shall constitute the provisions for the costs of relocating persons displaced by the development and financial assistance and reimbursement of expenses, including litigation expenses and expenses incident to the transfer of title, in accordance with the standards and provisions of the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, being Public Law 91-646, 42 U.S.C. Sections 4601, et seq.:

Because of the answer to Section 12, no provision for the costs of relocating persons displaced is included.

15. No persons are being relocated in the development area, but any future relocation will be done in compliance with Act No. 227 of the Public Acts of 1972, Sections 213.321 to 213.332 of the Michigan Compiled Laws.
 16. This Plan Amendment also provides for the following other material that the Authority, local public agency, or governing body, considers pertinent:
 - 16.1. Amend plan to allow hiring professional services necessary to provide grant writing services for the SDDA, including but not limited to utilizing the Village grant writer. The SDDA is authorized to spend up to Ten Thousand (\$10,000.00) Dollars annually on this service.
 - 16.2. In Plan Amendment 2021, the SDDA authorized professional services in the amount of Two Hundred Ninety-Five (\$295.00) Dollars annually for MainStreet Project. This Plan Amendment increases that professional service to a maximum of Five Hundred (\$500.00) Dollars annually.
 - 16.3. In Plan Amendment 2021, the SDDA authorized professional services in the amount of Three Hundred Twenty-Four (\$324.00) Dollars annually for Webservices site name Stockbridge.org. This Plan Amendment increases that professional service to a maximum of Five Hundred (\$500.00) Dollars annually.
 - 16.4. Total Local was authorized in Plan Amendment 2021, but this Plan Amendment increases the Total Local maximum budget amount to a total of Ten Thousand (\$10,000.00) Dollars per year, from a prior maximum of Five Thousand (\$5,000.00) Dollars per year. Total Local manages the SDDA internet site, Mainstreet services, web services, internet advertisings of projects, and they are the SDDA liaison with other internet and social media services.
 - 16.5. The SDDA originally authorized funding for "A day in the Village," which is always on Father's Day Weekended in Plan Amendment 2014 in the amount of Five Thousand (\$5,000.00) Dollars annually. This Plan Amendment increases that annual funding to a maximum of Eight Thousand (\$8,000.00) Dollars per year.
 - 16.6. In Plan Amendment 2021, the SDDA authorized professional services in the amount of Twenty-Five and 93/100 (\$25.93) Dollars annually for Domain services. This Plan Amendment increases that professional service to a maximum of One Hundred (\$100.00) Dollars annually.
 - 16.7. In Plan Amendment 2021, the SDDA authorized professional services in the amount of Seven Hundred Eighty (\$780.00) Dollars annually for My Site Platform. This Plan Amendment increases that professional service to a maximum of One Thousand Five Hundred (\$1,500.00) Dollars annually.
 - 16.8. In Plan Amendment 2021, the SDDA authorized professional services in the amount of Two Hundred (\$200.00) Dollars annually for Michigan Downtown Association Membership. This Plan Amendment increases that professional service to a maximum of Five Hundred (\$500.00) Dollars annually.
 - 16.9. The Plan Amendment 2022 authorized the SDDA to spend up to Six Thousand (\$6,000.00) Dollars annually on any other professional service. This Plan Amendment increases that maximum contribution to Ten Thousand (\$10,000.00) Dollars annually.
-

17. This Development Plan does not provide for improvements related to a qualified facility, as defined in the Federal Facilities Development Act, Act No. 275 of the Public Acts of 1992.
18. The original 1986 Plan states that its duration will "terminate upon the completion of those projects specified in the development schedule" (Table 1). The 1992 Plan Amendment does not appear to have addressed the duration of the Plan. The 1995 Plan Amendment states that the "duration of the Plan is limited to the implementation of the goal [sic] and objectives." Pursuant to the 2004 Amendment, the capturing of tax increment revenues shall continue through taxes levied in 2014, or such later years when all obligations of the SDDA payable from tax increment revenues have been retired or satisfied. The Development Plan shall be effective until the purposes of the Development Plan are completed. The First 2009 Amendment extended the Plan until 2020. The 2014 Plan Amendment extended the duration of the Tax Increment Finance and Development Plan until 2039 to complete the implementation of the goals and objectives contained herein in the Plan, as amended. This current Plan Amendment does not extend the duration beyond 2039.
19. The estimated impact of Tax Increment Financing on all taxing jurisdictions in which the SDDA's Development Area was originally addressed by the SDDA in previous Amendments and updated in the 2016 Plan Amendment as Exhibit E thereto. This Amendment does not provide any updated information in regard to this matter. Exhibit E to the 2016 Plan Amendment is incorporated herein by reference. Additionally, the SDDA states:

Tax Increment Financing permits the SDDA to capture Tax Increment Revenues (as defined below) attributable to increases in the value of real and personal property in the Development Area. The Tax Increment Finance procedure is governed by Act 57 of the Public Acts of 2018, as amended (the "Recodified Tax Increment Finance Act, Part 2 Downtown Development Authorities" or commonly known as the "DDA Act"). The procedures outlined below are the procedures provided by the DDA Act effective as of the date this Plan is adopted but are subject to any changes imposed by future amendments to the DDA Act.

The Tax Increment Revenues are generated when the Current Assessed Value of all properties within the Development Area exceed the Initial Assessed Value of the properties. The amount in any one year by which the Current Assessed exceeds the Initial Assessed Value is the Captured Assessed Value.

Initial Assessed Value: When the Village Council enacted the Original Plan by Ordinance in 1986, the Initial Assessed Value of the Development Area was established as the assessed value, as equalized, of all the taxable property within the boundaries of the Development Area at the time that Ordinance was approved, as shown by the then most recent assessment roll of the Village for which equalization had been completed, prior to the adoption of the 1986

Original Plan by Ordinance. Property exempt from taxation at the time of the determination of the Initial Assessed Value was included as zero. However, in determining the Initial Assessed Value, property for which a "specific local tax" was paid in lieu of a property tax was not considered to be property that was exempt from taxation. A "specific local tax" is defined in the DDA Act and includes "Industrial.

Facilities Taxes" levied under 1974 PA 198, taxes levied under the Technology Park Development Act, 1984 PA 385, and taxes levied on lessees and users of tax-exempt property under 1953 PA 189. The Initial Assessed Value or Current Assessed Value of property subject to a specific local tax was determined by calculating the quotient of the specific local tax paid divided by the ad valorem millage rate, or by other method as prescribed by the State Tax Commission.

Current Assessed Value: Each year the "Current Assessed Value" of the Development Area will be determined. The Current Assessed Value of the Development Area is the taxable value of the property in the Development Area.

Captured Assessed Value: The amount by which the Current Assessed Value exceeds its Initial Assessed Value in any one year is the "Captured Assessed Value. "

Tax Increment Revenues: For the duration of the Plan, taxing jurisdictions will continue to receive tax revenues based upon the Initial Assessed Value of the Development Area. The SDDA will receive that portion of the ad valorem tax levy of all taxing jurisdictions on the Captured Assessed Value of the taxable property in the Development Area, other than the State, local school district, intermediate school district tax levies, and specific local taxes attributable to such ad valorem property taxes (the "Tax Increment Revenues"), subject to limitations and exemptions which may be contained in the DDA Act, this Tax Increment Financing Plan, and the provisions of any agreements for the sharing of Captured Assessed Value.

Increases in the Current Assessed Values which generate Tax Increment Revenues can result from any of the following:

i. Construction of new developments; ii. New rehabilitation, remodeling, alterations, or additions; and iii. Increases in property values which occur for any other reason.

Tax Increment Revenues can be used as they accrue annually, can be held to accumulate amounts necessary to make improvements described in the Plan, or can be pledged for payment of bonds or notes issued by the SDDA or the Village under the DDA Act. Further, the SDDA may not borrow money or issue revenue notes without the prior approval of the Village. The SDDA may expend tax increment revenues only in accordance with this Plan; surplus revenues revert proportionally to the respective taxing jurisdictions.

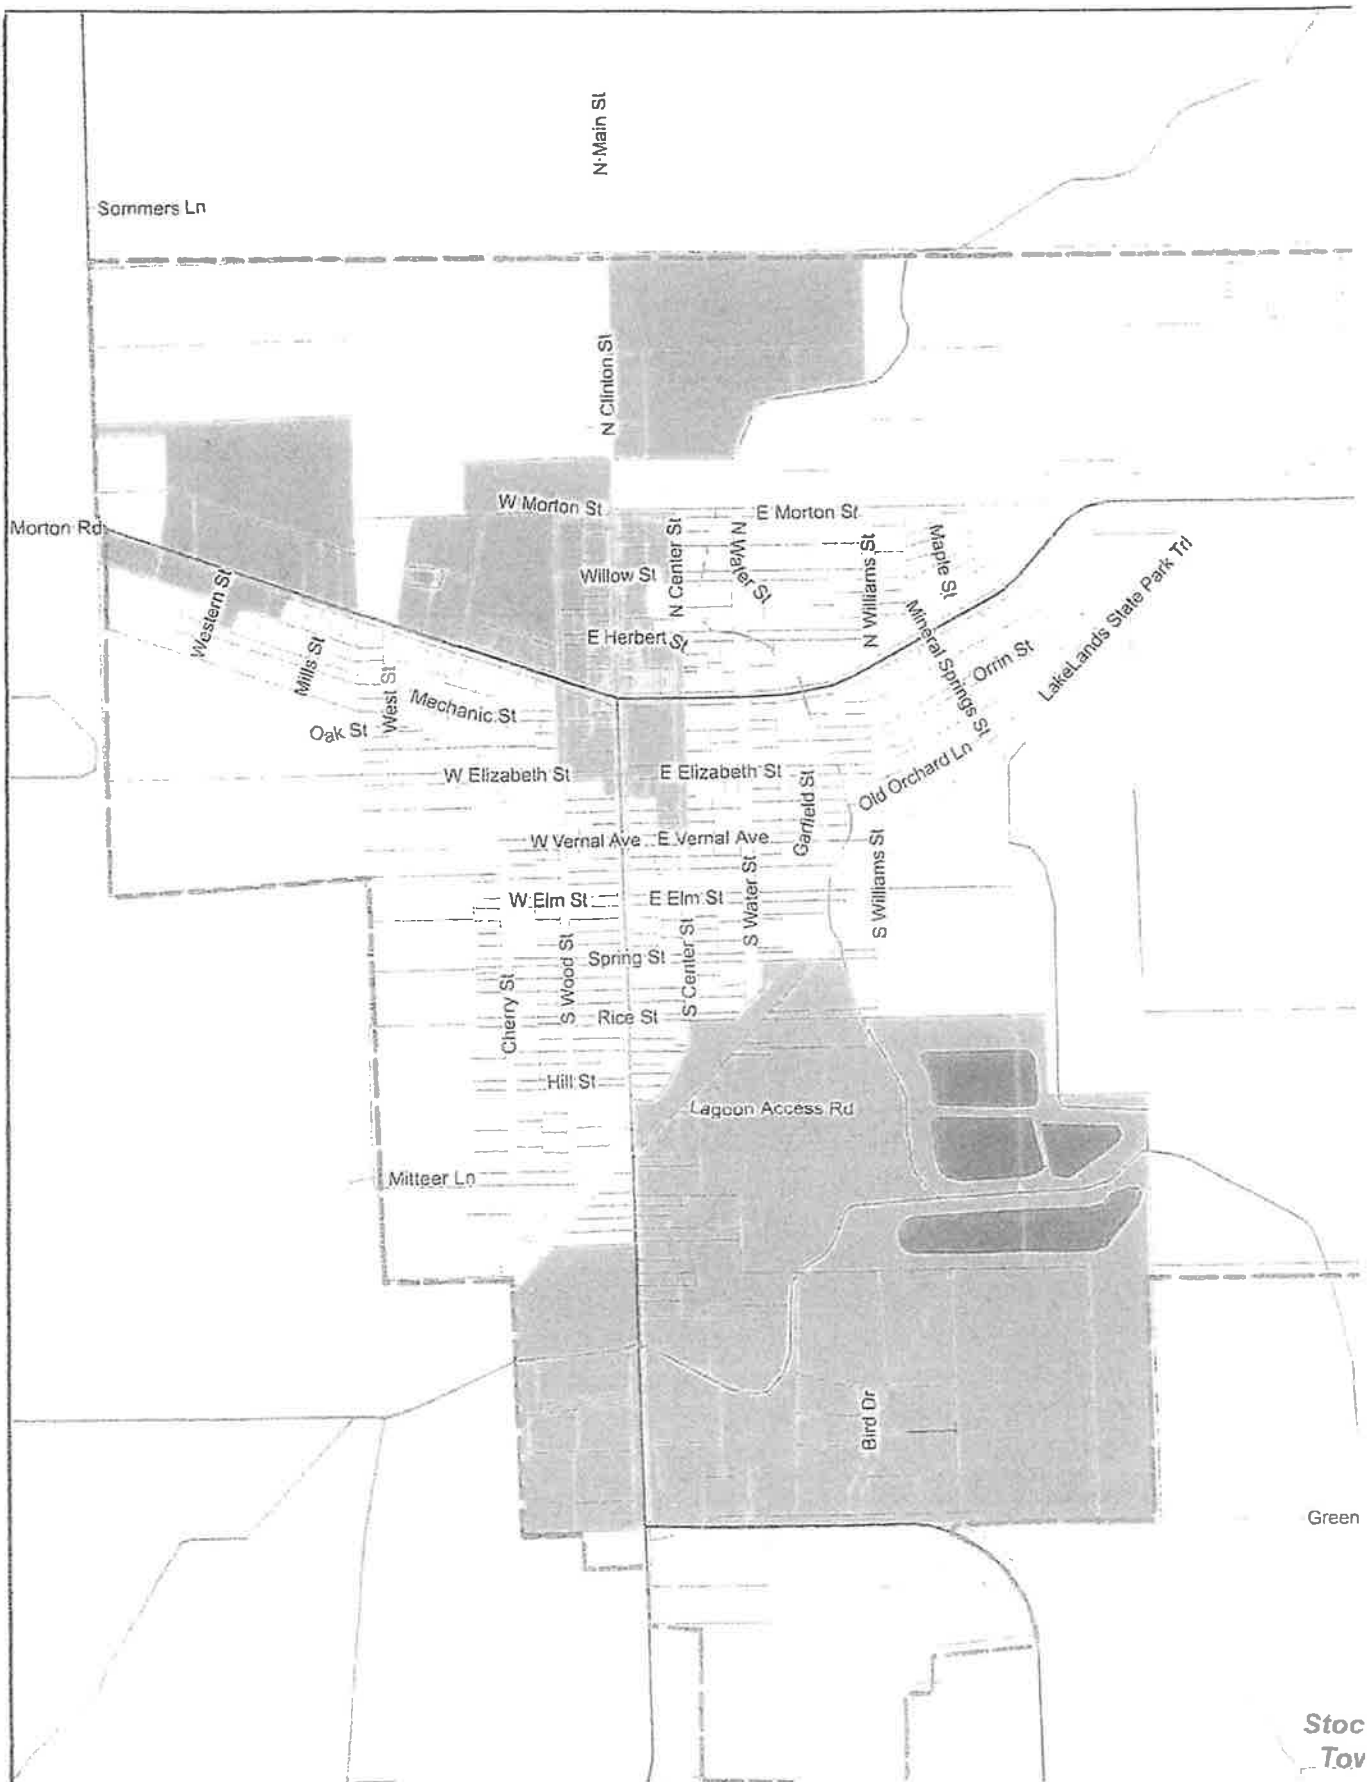

20. Adoption of these Amendments. The Village of Stockbridge, before adopting an Ordinance approving these 2024 Amendments, shall hold a public hearing on this development plan and seek input and approval from the Citizens Advisory Committee if one forms. At the time of the hearing, the Village Council shall provide all interested persons with an opportunity to be heard and shall receive and consider communications in writing with reference thereto. The hearing shall provide the fullest opportunity for expression of opinion, for argument of merits, and for introduction of documentary evidence pertinent to the Development Plan. The Village Council shall make and preserve a record of the public hearing, including all data presented at that time. All provisions of the Original 1986 Plan, 1992 Plan Amendment, 1995 Plan Amendment, 2004 Plan Amendment, 2006 Plan Amendment, 2008 Plan Amendment, the First 2009 Plan Amendment, the Second 2009 Plan Amendment, the 2011 Plan Amendment, the 2013 Plan

Amendment, the 2014 Plan Amendment, the 2016 Plan Amendment, the 2017 Plan Amendment, the 2019 Plan Amendment, the 2021 Plan Amendment and the 2022 Plan Amendment not modified by these Amendments to the Plan shall remain in full force and effect.

Deluxe Aluminum Bleacher Seating for Any Venue

These commercial quality bleachers feature a 4' wide center aisle with mid-aisle handrails. 6061-T6 Aluminum alloy angle frame understructure is ideal for level sites. Attach to a concrete foundation or install with in-ground, earth anchors.

Seat planks are constructed of 2" x 10" nominal, extruded 6063-T6 aluminum alloy with a clear anodized finish. Tread planks are constructed of two 2" x 10" nominal, extruded 6063-T6 aluminum alloy with a mill finish. End caps attached with tek screws. Riser planks are made of 1" x 6" extruded aluminum alloy with a clear anodized finish for under each row.

Specifications

- All seat and foot planks accommodate 200 plf across a 6' span with a maximum deflection of 9/16".
- Designed to support, in addition to their own weight, a uniformly distributed live load of not less than 100 psf of gross horizontal projection of the bleachers.
- Designed to resist, with or without a live load, a horizontal wind load of 30 psf of

railing is made of 1-5/8" anodized aluminum tubing with end caps at ends of straight runs and elbows at corners. All railing is secured to angle rail posts with galvanized fasteners. Tie-down assemblies consist of a 4-way adjustable aluminum clip, with galvanized nut and bolt and washer for each connection point at each support. The 2", 9 gauge galvanized chain-link fencing is fastened in place with galvanized fittings and aluminum ties. Top of railing is 42" above the center of any adjacent seat. The guardrail system has no opening larger than 4" at any location more than 30" above grade including the triangular region underneath the seat formed by the tread and rise.

gross vertical projection.

- In addition to the five load, designed to resist sway forces of 24 plf of seat plank in a direction parallel to the length of the seat, and 10 plf of seat plank in a direction perpendicular to the length of the seat.
- Under tested loads, stresses in aluminum members and connections do not exceed those specified for Building Type Structures by the Aluminum Association.

About this item

- **[Compact Size]** The IRONWALLS commercial trash can for outdoor has a compact size of 40 x 40 x 90cm/ 15" x 15" x 35.4" (L*W*H), making it suitable for various locations without taking up too much space. Its large capacity ensures efficient waste disposal in high traffic areas such as stadiums, parks, gardens, patios, malls, campuses, picnic grounds, and shopping plazas.
- **[Durable Steel Construction]** Made from commercial-grade, anti-rust, thickened heavy-duty galvanized stainless steel, this garbage can with lid is designed to withstand all weather conditions and working environments, making it suitable for both indoor and outdoor use.
- **[Practical Ashtray Feature]** The large dual side opening mouth and ash urn on the top lid make this outdoor trash can a versatile combination of an ashtray and a trash receptacle. This design not only provides a convenient, hands-free disposal of cigarettes and trash in one location but also separates cigarette butts from the trash, effectively preventing fires.
- **[Lockable Watertight Lid]** The lockable top lid of this outdoor trash can ensures that the bin remains closed even when completely overturned, keeping your trash secure and your investment in waste disposal products protected. The fixing chain allows for easy opening and prevents the lid from falling down.
- **[Excellent Craftsmanship]** The sleek, slotted surface of the black trash can enhances the appearance of any location and complements any outdoor furniture collection. The removable seamless inner barrel with built-in handles allows for easy daily cleaning of the waste.

DESCRIPTION

The 3-sided Kiosk Message Center is a great way to display a lot of information at a park, school, municipal facility or shopping center. The three message boards each have double-locking doors with scratch-resistant poly-carbonate windows which is 250 times more impact resistant than acrylic.

The 4" x 4" mounting posts are 8' long and can be in-ground or surface mounted with anchor kits purchased from most lumberyards and home centers. Tack board made of recycled black rubber lasts much longer than cork, and cannot rot or mold. The body and posts are composed of solid, recycled HDPE plastic for extreme durability in all climates and never need painting or staining. Stainless steel fasteners are the icing on the cake because they outlast galvanized and provide years of rust-free use outdoors.

The Kiosk Message Center comes in 7 nature-inspired colors to match your park, municipal or corporate theme.

Window dimensions: 32 1/8"H x 20"W

Don't need quite so much display space? Try our [2 Sided Large Message Center \(https://pollyproducts.com/product/large-message-center-2-sides-2-posts-w-8-posts/\)](https://pollyproducts.com/product/large-message-center-2-sides-2-posts-w-8-posts/) or [Specialty Viewing Message Center \(https://pollyproducts.com/product/specialty-viewing-message-center-6ft-post/\)](https://pollyproducts.com/product/specialty-viewing-message-center-6ft-post/).

Features and Benefits:

- Made of maintenance-free recycled plastic
- Poly-carbonate windows are scratch and shatter resistant, stronger than acrylic
- Components are solid, color-through and UV protected against fading
- Impervious to moisture and insects
- Safe, non-leaching and not affected by most harsh chemicals
- Non-porous and naturally graffiti resistant
- 20-year commercial warranty
- Made in the USA
